

MATHEMATICS MAJOR HONORS PROGRAM APPLICATION

Date _____

Last Name _____ First Name _____ MI _____

Student ID# _____ UCI Email address _____@uci.edu

Overall UCI GPA _____ Math Major GPA _____

Number of Quarter Units Completed _____

Class Level (Check One): Sophomore Junior Senior

Expected Graduation Date (Quarter/Year) _____

Minimum academic qualifications: 3.5 GPA in Mathematics courses and a 3.2 GPA overall

Thoroughly review the complete list of requirements in the UCI Catalogue before applying:
<http://catalogue.uci.edu/schoolofphysicalsciences/departementofmathematics/#undergraduatetext>

Any exception to these requirements must be approved *in advance* by the Honors Advisor.

If all requirements are completed and the student's work and final GPA are deemed of honors quality by the Department's Honors Committee, the student graduates with Honors in Mathematics, and this distinction is noted on their transcript.

Name _____ Student
ID# _____

In the left column, list all the courses you have thus far taken towards fulfilling the Honors program requirements and the grades received in those classes. On the right, list all the classes that you plan to take to fulfill the remaining requirements.

Courses Completed	Courses Planned
